SHRM Foundation

SHRM Foundation works in three ways: widening pathways to work for skills-first candidates and untapped talent; strengthening the HR field with even more diversity, growth and readiness; tackling societal challenges, with a current focus on workplace mental health and wellness.

HRPCPA proudly supports SHRM Foundation, the nonprofit arm of SHRM, which mobilizes HR as a force for social good. We believe each of us in HR has the power and opportunity to lead change in the workplace. Together we're building a more inclusive talent pipeline, addressing mental health and wellness, and strengthening the HR field. Get involved to nurture the potential in HR, talent, and workplaces. Donate to make possible the research, toolkits, certificates, and scholarships that help us all thrive together. Learn more and contribute at shrmfoundation.org.
