## Your Voice Shapes Our Community—Take the Survey!

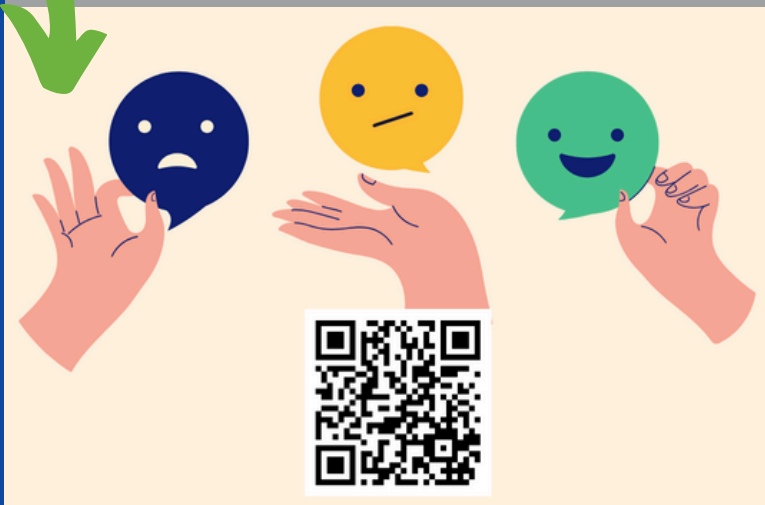

Member engagement is the heartbeat of the HRPCPA community. It strengthens connections, drives referrals, boosts event participation, and ensures we continue providing valuable opportunities that benefit you. Your insights help us craft experiences that enhance your professional growth while making a positive impact in our community. That's why we need your input! Our Volunteer Activity & Networking Preferences Survey is designed to shape future volunteer initiatives and networking events based on what matters most to YOU. Tell us what types of volunteer opportunities interest you, how we can maximize participation, and what networking activities you'd love to see—whether as a follow-up to volunteering or as standalone events.

Your feedback directly influences everything we do, from our Legal and Legislative Chapter meeting to professional development workshops, social events, and our annual conference. Help us make these experiences even better!

📢 Take the survey today and let your voice be heard!
