Elevate Your HR Career with SHRM Certification & the FREE HRPCPA Study Group

At HRPCPA, we are deeply committed to the professional growth of our members. That's why our Professional Development committee is thrilled to announce our annual SHRM Certification Study Group program, designed to guide you towards success on the SHRM certification exams.

The fall study group program runs for 13 weeks, spanning from August to November, ending before the Thanksgiving holiday. This is a hybrid class with both in person and virtual sessions on Tuesday evenings from 530p – 830p.

Here's an incredible opportunity exclusively for active HRPCPA members:

The first 12 active members who sign up for the fall study group, HRPCPA will generously cover the cost of the SHRM Learning System study materials – a significant value of over $1000. This is a fantastic FREE benefit of your HRPCPA membership.

There is space for up to 20 dedicated individuals in this year's cohort. For members who sign up in the remaining 8 spots (13th through 20th), you'll still benefit from HRPCPA's group discount on the SHRM Learning System, saving you around $300 off the full retail price of over $1000!

An email with detailed instructions on how to express your interest in the HRPCPA SHRM Study Group will be sent no later than **June 1st** .

Shannon McCurdy
Professional Development Director
